Calling all students in Grades 3-8 Join our 8th Annual St. Mike's Ski & Board Club

This program will begin Monday, January 9, 2012 and run for six weeks. We are scheduled from 3:30pm to 6pm. The dates are 1/9, 1/23, 1/30, 2/6, 2/13 and 2/27.

- Beginners welcome! The purpose of the program is to become a better skier or boarder - so we welcome novice to advanced students!!!!
- Need equipment? Ski Bradford has rentals (but you need to return them after each session), or you can do season rentals at places like, Mountain Dogs and Ski Haus.
- We will have a bus taking us to Ski Bradford. Please note, the bus is not mandatory, you can bring your child if you prefer. Also the bus is only one way, you still need to pick your child up in Bradford each Monday.
- We expect EVERY child to wear a helmet!

Even though Mr. Diaz will be there, Bradford Ski instructors would run lessons/rentals. If you will be renting equipment or taking lessons, additional forms will be forwarded to you.

There were some increases in ski/snowboard rentals and unfortunately, you will see some increases in our fees from last year as well. Space is limited, so get your form in before 10/17 to guarantee your seat. **NO FORMS WILL BE ACCEPTED LATE.**

Limited financial aid is available. Please contact the office.

Any questions, feel free to contact Mrs. Rogge or Mr. Diaz at the school.

CALLING ALL VOLUNTEERS

We are looking forward to skiing this winter! We had over 100 skiers and boarders with us last year! In order to help the program run smoothly, we need help. Would you please consider helping in one of the following ways?

Inside Monitor (one or two)

This person would help to save our tables and sit with children who are taking a break from skiing. They would also help with check-in and check-out log sheets. It would be great if there was a parent who could arrive early to Ski Bradford to secure our table.

Outside Monitor (one or two)

These people would help students find their lessons and monitor children as they enter and exit the ski lifts.

Rental Monitor (one or two)

These people would meet the bus and help students get their rental equipment.

Ski/Snowboard Monitor (three or four)

These people would ski the trails. They would not have to ski with a particular group of children, just be a familiar face for our children should they need help while they are skiing. In the past we have tried to purchase a few extra tickets for our ski/snowboard monitors. However, the costs this year have made that impossible. If you wish to ski each week, your cost will be \$85. We are sorry for this inconvenience and wish we could do more.

Thank you for your consideration! See you on the slopes.
