

Kindergarten Students 2023-2024

We are very excited to get to know you in kindergarten! You have worked hard and done some wonderful things to get ready for a new year with us in kindergarten!

Over the summer we would like you to practice the following things with your child.

- Practice printing your name using upper and lower case letters
- Practice letter sounds. See the attached paperwork on our Lively Letters Program.
- Recognize the numbers 1-10 and practice writing them.
- Practice zipping and buttoning independently.

We have attached papers to help you as you practice these skills over the summer.

Have a wonderful summer making precious memories with your family!
