Summer Work

Over the summer, you must read **one** of the following books.

Any Calendar Mystery book: written by Ron Roy

Any A-Z Mystery book: written by Ron Roy

Fudge-a-Mania: written by Judy Blume

Judy Moody Saves the World: written by Megan McDonald

When completed with the reading, each child is asked to complete the attached book report sheet. **You need to write 2 sentences about your favorite scene from the story and draw a picture in the box that goes along with your writing. Please make sure you read over the rubric BEFORE beginning to work on this. The rubric shows how you will be graded on the assignment.**

This packet includes 2 addition and 2 subtraction drill worksheets. It is expected that you know these facts upon entering grade three. Our main focus will be multiplication and we will only spend a short amount of time reviewing basic addition and subtraction facts. If you do not know them by memory, it is important that you study them over vacation. You may find the website <http://www.math-drills.com/> to be useful. This site allows you to make and print off additional drills at home. Students will have graded drills/assessments on these facts at the beginning of third grade.

Students should pass in the addition, subtraction, and reading report the first week of school. These will be graded.

We hope that you have a safe and happy summer vacation. We look forward to seeing you in late August.

Sincerely,

Ms. Grava

Mrs. Torpey
