

We are happy to share that after careful consideration of the 2025-2026 school budgetary needs, the following tuition figures may now be announced.

We do our very best to keep tuition affordable for families. For example, we apply for grants. We have increased our financial aid offerings and are assisting families with over \$125,000 in tuition assistance. As a reminder, you can always apply for financial aid via your family portal in the Grant and Aid section.

Additionally, the parish continues its outstanding support of our school via a parish subsidy and the fundraising efforts of our PTO and Annual Fund help us to off-set the cost of tuition for families. We feel overwhelmingly blessed with the generosity of the parish, our PTO and the generosity of our Annual Fund donors!

As you will see, contributing, registered parishioners receive a \$1,000 discount on tuition. Due to our admission dates, all new families receive the parishioner discount for their first year. In order to receive the discount for the following year(s), families will need to be registered, contributing members of St. Michael Parish.
