

December seemed to sneak up on all of us this year! I feel like we just had Trick-or-Treat Night and now we are in the hustle and bustle of the season. As you know, the beginning of the Christmas season really starts on November 30th with the first day of Advent. During the four weeks leading up to Christmas, we are teaching the children about the true meaning of Christmas. We have Advent prayer services across the grades, discuss the meaning of the Advent wreath, we set up our nativity scene in the lobby and so much more. Additionally, the children are preparing for our annual Nativity Program to be held on December 17th. We ask that as you begin talking about Santa and the Elf on the Shelf, that you spend some further time discussing the true meaning of Christmas so that what we are talking about in school is echoed at home.

We recently wrapped up Term One and held parent-teacher conferences. These meetings are held once each year but we always encourage families to monitor grades on Renweb. You can set your own preferences on the portal to receive daily or weekly gradebook updates to stay on top of your child's academic performance. Always know the teachers can meet to discuss any concerns you have. They can meet in person or even do a phone conference if needed. The home-school connection is very important to the success of all of our students and we are very happy to partner with you.

As previously announced, Nurse McCarthy will be stepping down as our full-time school nurse. She will be doing some part-time administrative work in the health office so you will likely see her from time to time. Nurse McCarthy has been a superwoman and an asset to our school for many years. She knows every child's name and is often the person students go to for a hug more than a bandaid. She helped us survive the Covid years and wrote a pandemic protocol for our school. Her presence will be greatly missed by students and staff and we are grateful that she will be staying on in an administrative role! Beginning in January, Allison Mancini will be our full-time nurse in the health office. Welcome, Allison!

We are also bidding farewell to the face of St. Michael School...Mrs. Donahue. After 29 years here in multiple capacities as a parent, PTO coordinator, room mom and staff member, she has decided that it's time to retire. In her words, "The SMS Family is so special. Bricks and Mortar make a building, but each person at the school makes SMS the AMAZING school and family that it is." Mrs. Donahue is excited to begin this next chapter in her life, starting in January, and she wishes the entire community continued success.

My wish for all of you as you begin this Christmas Season is that you take some time to pause and appreciate the wonderful gifts we all have. The gifts of family, friendships, good health, laughter and so much more all mean so much more than the presents under the tree on Christmas morning. Take time to play board games, go sledding, have family movie night and more during our Christmas break.

Christmas Blessings,

Sue Gosselin

Let us all celebrate that at this school we all know Jesus is the reason for this season!

The Jubilee Prayer

Father in heaven,
may the faith you have given us
in your son, Jesus Christ, our brother,
and the flame of charity enkindled
in our hearts by the Holy Spirit,
reawaken in us the blessed hope
for the coming of your Kingdom.

May your grace transform us
into tireless cultivators of the seeds of the Gospel.
May those seeds transform from within both humanity
and the whole cosmos
in the sure expectation
of a new heaven and a new earth,
when, with the powers of Evil vanquished,
your glory will shine eternally.

May the grace of the Jubilee
reawaken in us, Pilgrims of Hope,
a yearning for the treasures of heaven.
May that same grace spread
the joy and peace of our Redeemer
throughout the earth.
To you, our God, eternally blessed,
be glory and praise for ever.
Amen

Saint Michael School Mission Statement

Saint Michael School offers an exceptional Catholic education to our students, nurturing their desire to achieve academic excellence and encouraging spiritual, artistic, and athletic development in a caring, family environment. We motivate our students to become well-rounded, moral young men and women who are prepared to live a faithful life with intellectual rigor and spiritual awareness.

Important Dates and INFORMATION

December 17- Nativity Program

December 23- Half Day

January 5- School Re-opens

January 6- Banking Day

January 12- MAP standardized testing window opens, Mass

January 16- No School, PD for staff

January 19- No school, MLK Day

January 22-PTO meeting, 7p.m.

January 25-30- Catholic Schools Week

January 30- End of Term 2

If you are looking for Liturgy or event times please refer to the weekly Trumpet.

Do Not Send Cash or Checks Into School

When paying for field trips, art projects, club, etc. for your child, all payments must be made through our Student Information Service Program, RenWeb/FACTS.

Food Allergy Policy

Saint Michael School strives to be a nut free school. Please do not send in items that contain peanut butter or tree nuts. Please direct any questions to the Health Office. Thank you for your consideration.

Notice

This notice is per the "Asbestos Hazard Emergency Response Act." An asbestos management plan has been developed for St. Michael's School which has asbestos containing material present. These plans are available and accessible to the public by contacting Nick Ippolito at 978-686-4050 at the Parish Offices as well as at the LEA administration office.

Have An Idea or Suggestion?

We love to hear from you! If you would like to send us a comment or a suggestion, please email us at info@comcast.net.

Tuition Update

How Do Families Receive a Parishioner Tuition Rate?

As a reminder, to be considered an active parishioner (and receive a parishioner tuition rate for the 2026-2027 school year) families must make a minimum total offertory donation of **\$500** to our parish beginning **July 1, 2025 to April 1, 2026**. This can be done on a weekly basis when you attend Mass **BUT** it must be made in a trackable manner. You **NEED** to be a registered parishioner. If you wish to receive offertory envelopes from the parish, please email donations@saintmichael.com.

You may also make donations on the parish online giving website <https://www.osvonlinegiving.com/298>. Donations made at Easter and Christmas are for the benefit of the Clergy Trust and therefore do **NOT** count toward the annual \$500 donation to St. Michael Parish.

Thank You!

We wish to thank and recognize everyone who made a donation to our Annual Fund. We are excited to announce that as of 12/1/25, we received over \$34,000 from over 100 donors! Your generosity made that possible – Thank you!

Mrs. Siddiqui

Nursery

Mrs. McGovern & Ms. Vazquez

Pre-K Mrs. Reinhard

During the Month of December, we focused on Advent, the birth of Jesus, Christmas traditions and Gingerbread. At this point in the school year it is amazing to observe the friendships that have formed.

Mrs. Surprenant

In pre-k this December we prepared for the celebration of the birth of Jesus. We discussed traditions and the act of giving and kindness for others. We also decked the halls!

Pre-K Mrs. Cali

This month in Pre-K, we've been learning all about Advent! Our class has been busy with Christmas and Advent themed crafts and activities to help us get into the holiday spirit. We've also been practicing acts of kindness each day as a way to feel closer to God during this special season.

Kindergarten!

Merry Christmas and happy holidays from Kindergarten!

Mrs. Tildsley

Kindergarten

Mrs. Polcari

We wish you and your loved ones a very Merry Christmas!

At the heart of the Christmas celebration is the story of Jesus Christ. Kindergarten has been learning and preparing for the birth of Jesus during this Advent season.

Kindergarten

Mrs. Kasberg

We wish you all a Blessed
Christmas!

1A- Mrs. Robidoux

This season calls for joy, gratitude and generosity.
First grade is spending time celebrating the reason for the season - Jesus' birthday!
We're praying, sharing our gifts and spreading kindness.
Merry Christmas!

First Grade

IB- MS. BEDARD

The Christmas season is upon us! We have been working hard and have become first grade experts. We take time each day to remember the true meaning of the season!

Grade 2

Mrs. Caffrey

December has been a very special month for us in Grade 2! Matthew and Luke from Central Catholic visited our classroom and helped the students create wonderful Santa crafts. We also prepared for Advent by making our own Advent wreaths, a meaningful way to begin this sacred season.

This month, we enjoyed an in-house field trip with a Pilgrim from Plimoth Plantation, who taught us what life was like long ago. The students were so engaged and full of great questions!

Grade 2 is especially excited as we prepare to present the Nativity. We look forward to sharing this beautiful tradition with our families.

Grade 2

Mrs. Grant

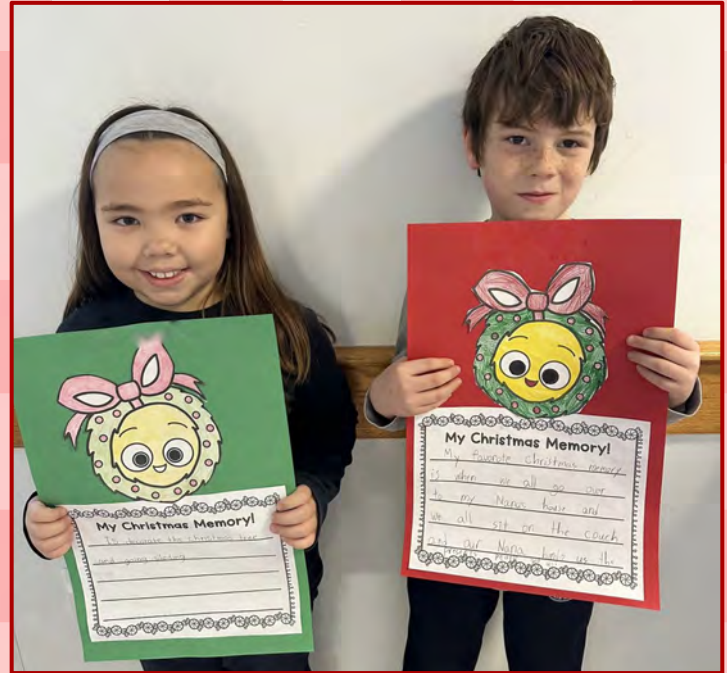

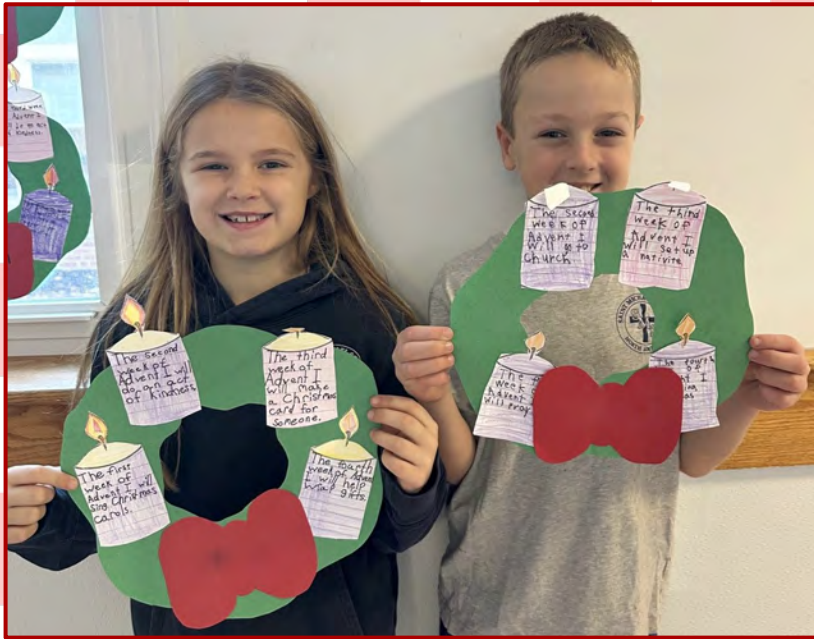

Grade 2B wishes
you all a bright
and beautiful
Holiday Season.

Grade 3

Ms. Grava & Mrs. Torpey

In Religion, our third graders have been learning about the season of Advent and how we prepare our hearts for the coming of Jesus at Christmas. Each student created their own Advent Wreath, complete with the four candles that remind us to have hope, prepare, rejoice, and love.

After making their wreaths, students wrote one special thing they will do for each candle to help get ready for Christmas. Their ideas included showing kindness to others, helping at home, praying more often, and spreading joy wherever they go.

After reading *Have Yourself a Cheesy Little Christmas*, students reflected on the story by writing about one of their favorite Christmas memories. Their writing captured special traditions, family moments, and fun holiday experiences, bringing lots of warmth and cheer into the classroom.

Grade 3

Ms. Grava & Mrs. Torpey

In Science, students have been exploring force and motion in a hands-on and exciting way! Our third graders worked with partners to build a model trapeze and experimented with how force affects movement. They carefully observed how the trapeze swung, measured how far and how fast it moved, and recorded their data like real scientists.

After collecting their observations, students used what they learned to make predictions about how a real trapeze might move. They discussed how changes in force—such as a stronger push or a longer swing—could affect speed and distance. We loved seeing their curiosity, teamwork, and scientific reasoning in action!

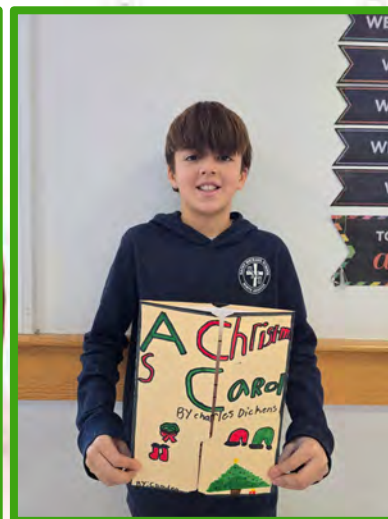

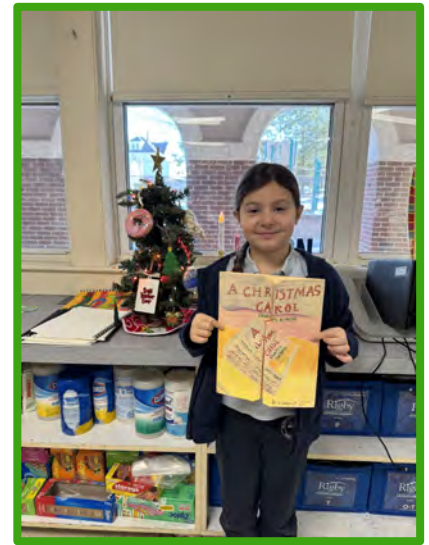

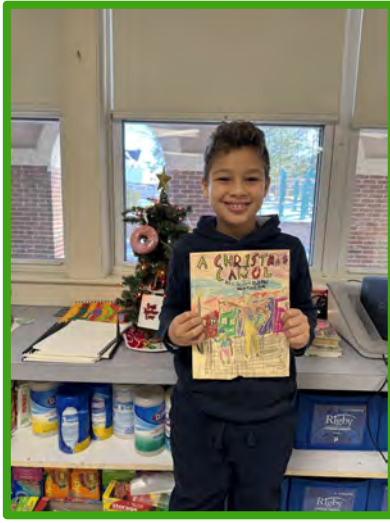

Grade 4 with Mrs. Andrewchuk & Mrs. Sweeney

Grandparents' Day in Grade 4 was the
perfect way to kick off the holiday
season!

Children read the classic,
Charles Dickens', *A Christmas Carol* . They have
created amazing book reports about the story.

FIFTH GRADE

SIXTH GRADE

EIGHTH GRADE

5th Grade - The students are finding their way around the Bible preparing for Christmas

6th Grade - Will the power go out forever in Ember? Time will tell. The students continue to grow their reading skills.

Merry Christmas

Grade 5/6

Social Studies with Mrs. Clifford

Grade 5

We were so lucky to enjoy Christmas Trivia with Miss Megan!

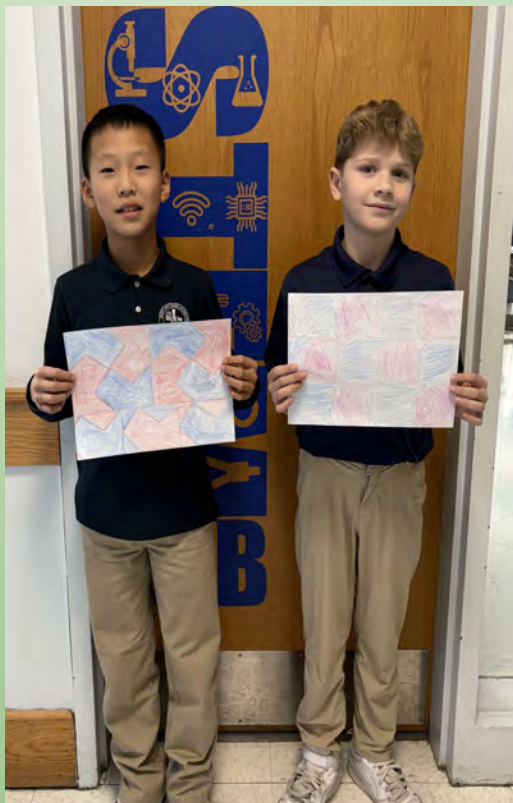

Grade 6

We are learning about Hinduism and Buddhism. How can we achieve peace and selflessness?

Ms Decoteau Gr 5/6 Math

Grade 5 and 6 turned Math ideas into ART! After learning about repeating geometric patterns in Math, students turned their TESSELLATIONS into artwork.

Ms. Decoteau grade 6

Grade 6 has been preparing for Christmas. They have just finished an extensive Jesse Tree project, learning much about our faith family who waited centuries for our Savior's birth. We decorated Advent wreaths and decorated a class tree.

Mrs. Berard 5th/6th Grade Science

Grade 5: Created Earth's 4 spheres in a jar to watch how they all interact with and depend on each other.

Grade 6: Began studying Biology with learning the characteristics of all living things.

Mrs. Nagle-7A

Religion & Enrichment

Getting ready for the Christmas Season

The students are learning and understanding the meaning of the Advent season during Religion classes and for enrichment, they made beautiful tree decorations using cookie cutters and beads.

Merry Christmas

Mrs. Ordway - Grade 7B Religion

The students enjoy the Christmas Season by studying about Advent, praying the O Antiphons, sharing customs, and creating Jesse Tree ornaments.

I hope all of the families of St. Michael School have a happy and healthy holiday season. It is a long break this year, and I'm sure everybody will make the best of it.

Mrs. Parker: 7/8 Math

I hope your homes are filled with joy and blessings this Christmas season. December is always a busy month at school. The students in grade 7 have been learning about ratios, rates and proportions which is all work that will help when we start percentages in the new year. The students in 8th grade have continued working with linear equations. They can write equations and graph lines in many different forms. We will move into systems of linear equations in the new year.

We loved having so many grandparents visit on Grandparents' Day!

ART CLASS

with
Mrs. Donegan and Mrs. Giordano

Do you want to build a snowman?

That's exactly what our artists have been doing in art class! Students have been hard at work creating cheerful snowmen using a variety of materials and techniques. From round snowy shapes to fun winter details, each snowman shows creativity and personality. The classroom has been filled with smiles, imagination, and lots of wintry fun as students brought their frosty friends to life.

Counselor's Corner with Mrs. Rowley

The months of November and December have been busy! The Student Council organized and sponsored both the Food Drive for Bread and Roses and the Toy Drive in partnership with the Lawrence Police Department. It was exciting to find out that our school community donated over 1,000 pounds of food and supplies for Bread and Roses, their largest collection of the season! Thank you so much for your support and generosity! I wish you all a very Merry Christmas and Happy Holidays!
